NATIONAL AND INTERNATIONAL OPEN TENDER NOTICE WITH MINIMUM CAPACITY REQUIREMENTS

N° 74 /DG/DIE/2025

The Establishment of Management of the Airport Services of Oran EGSA/Oran, which :

- The Head office : Rond-point Aéroport International d'Oran Ahmed BEN BELLA.

- The Fiscal Identification Number (NIF) : 000031010449824

Lunches a National and International Open Tender Notice with minimum capacity requirements for the acquisition of baggage scanners with automatic detection of explosive traces and explosive vapor detection equipment for EGSA/Oran airports, This equipment is divided into separate batches as follows :

- Lot 01 : Ten (10) hand luggage scanners, Ten (10) checked baggage scanners, Tree (03) oversized scanners

- Lot 02 : twenty eight (28) explosive vapor detection equipment;

NB: Candidates can bid for one or two lots

Eligibility criteria :

This national and international call for tenders with minimum capacity requirements is open to economic operators under Algerian and foreign law, who must meet the following conditions

1. Professional Capabilities

- Manufacturers specializing in airport security equipment (X-ray machines), used in the inspection, screening, detection, and screening of passengers and baggage at airports;

-Foreign bidders must have a partner or representative in Algeria to provide warranty and after-sales service for the equipment, and, where applicable, commissioning of the equipment.

- The bidder must have a certificate of conformity of the proposed equipment with international

requirements, issued by the competent civil aviation authority of an ICAO member country.

NB: the Project owner reserves the right to verify the professional capabilities of bidders by any means.

2. Technical Capabilities

Tenderers must prove that they have carried out at least one project relating to the supply and installation of X-ray baggage inspection equipment for airport or port use, during the last seven (07) years, on the day of opening of the bids, upon presentation of a certificate of proper execution issued by a contracting service in the airport or port sector.

3. Financial Capability

Bidders must have, during the three best years spanning the seven (07) years, at least, an average turnover in Algerian Dinars for bidders under Algerian law or equivalent in quotes for foreign bidders, (at the exchange rate for sale published by the Bank of Algeria and applicable to similar transactions on the

day of opening of the bids) justified by financial statements for the last seven (07) years, certified by the tax administration

The average turnover (per batch) cited above must be greater than or equal to:

- 100,000,000 DA for lot 01
- 35 ,000,000 DA for lot 02

NB:

A bidder or candidate may not submit more than one offer.

The same person may not represent more than one bidder or candidate. Joint submissions are not permitted..

Tenderers interested in the present notice can withdraw the specifications against payment of 30 000,00 DA at :

EGSA/Oran Directorate of Infrastructure and Equipment
